To provide a more user-friendly and intuitive experience on our site, we use cookies. Cookies are small pieces of data that allow us to compare new and past visitors and understand how users navigate through our website. We use the data collected through cookies to make the browsing experience more practical and more effective in the future.

Cookies do not record any personal information about a user and any identifiable data will not be stored. If you wish to disable the use of cookies, you must customize your computer settings by setting all cookies to be deleted or by enabling a warning message when cookies are stored. To proceed without changing the application of cookies, simply continue browsing.

Visit AboutCookies.org for more information about cookies and how they affect your browsing experience.

THE TYPES OF COOKIES WE USE:

Technical cookies

These are cookies that are used to perform navigation or provide a service requested by the user. They are not used for any other purpose and are normally installed directly by the website owner. Without the use of such cookies, some operations could not be performed or would be more complex and therefore these cookies, which enable the user's identification to be made and maintained within the session, are indispensable.

By using our site, you agree that such cookies may be installed on your device.

We use technical cookies as the only cookies to make your browsing experience satisfying. We do not use profiling cookies instead.

COOKIE DURATION

Some cookies (session cookies) remain active only as long as the browser is in use. Other cookies "survive" when the browser has been closed and are available on subsequent visits by the user.

These cookies are called persistent and their duration is set by the server when they are created. In some cases an expiration date is set, in other cases the duration is unlimited.

This site does not make use of persistent cookies. However, by browsing the pages of this site, you may interact with sites operated by third parties that may create or modify persistent and profiling cookies.

COOKIE MANAGEMENT

Users can decide whether or not to accept cookies by using their browser settings.

Please note: Disabling all or part of technical or third-party cookies may affect the use of some features of the site.

The best browsers allow you to define different settings for "proprietary" and "third-party" cookies.

Below are web resources outlining how to proceed for each of the major browsers:

THIRD PARTY WEBSITES

Users are advised that this Policy does not include the privacy policies adopted by third-party websites to which this site may be linked.

AMENDMENTS

Considering that the state of improvement of the automatic control mechanisms does not currently make them free from errors and dysfunctions, it should be noted that Cantoni & C SpA reserves the right to modify all or part of this Policy at any time and please consult the latest version from time to time for verification of any changes.

THE DATA CONTROLLER

Following consultation of this site, data relating to identified or identifiable persons may be processed.

The controller of their processing is the company Cantoni & C SpA Viale Abruzzi 72- 20131 Milan (MI).
